

Some Like It Hot Orchestra

What People Say About Us.....

Dear Pat and Gang,

Can I please express our deep felt thanks for supplying us with 2 hours of fantastic entertainment on July 5th. I can only say that you guys were brilliant. Everyone, and I mean everyone, was raving about you and the band. I can't remember when the dancefloor wasn't full and a sincere thank you also for putting together the arrangement for Michael Bubl 's "Everything". It meant a lot. I am sure you have created a long list of fans for yourself amongst our family and friends.

You guys are worth every penny and were a bargain as far as we were concerned!

Thanks again,

Humphrey & Niamh

Dear Patrick,

Just a quick email to thank yourself and the band for all your hard work on Friday night.

To say that we loved your performance would be an understatement. Everyone is still talking about ye and complimenting ye on your fantastic performance.

We wish you every success in the future and hope to go see you the next time that you are playing a public concert locally.

Thanks again.

We booked Some Like It Hot for our wedding. They were brilliant. Our guests are still talking about them and the floor was full all night. No hesitation in recommending them.
